Try Tennis for Free – How to Get Involved

Ilminster Tennis Club has recently resurfaced its three floodlit tennis courts, and with a new social induction programme is providing a great opportunity for new members - ADULTS AND JUNIORS - to join us and play tennis. We are particularly keen to attract people who have struggled to get involved in activities over the past 12 months due to the challenges we have all faced.

By participating in the Open Days we are offering an Induction Programme, you will have **3 FREE social tennis sessions** before joining the Club.

Tennis for Everyone – Summer & Winter

We offer the social tennis induction programme on any of the following days:

Monday, Wednesday, Friday mornings 10-12 midday
Thursday evenings 4-7pm
Saturday afternoon 1-4pm

**IF YOU ARE INTERESTED IN PLAYING SOME TENNIS & MEETING NEW PEOPLE,

Tennis Coaching for Adults & Juniors

Ilminster Tennis Club offers a range of coaching options for all standards and ages. Luke Andrews, our Club's head coach, is a bubbly and enthusiastic coach who strives to help each player to meet their goals. Luke runs both group and individual coaching sessions so that lessons can be tailored to suit your needs.

We also run a very fun introductory course for people who are new to tennis or returning to the court after a time away called "Rusty Rackets"
